

Michigan Society of Professional Surveyors Annual Meeting Committee 2006

Although annual meetings are generally hosted by Chapters, the Annual Meeting Committee has the responsibility of overseeing each annual meeting. It ensures continuity from year to year and assists the host chapter as needed. The Committee will assist with establishing budgets and schedules for board approval. The Committee meets four times annually.

Charges:

- Implement recommendations from MSPS Board.
- The Executive Director is responsible to monitor the activity and planning of this committee.
- The host chapter, if used, shall submit a program outline to the annual meeting committee by July.
- The host chapter, if used, shall submit a detailed budget at the October MSPS Board Meeting.
- Review site locations and calendar for future annual meetings sufficient for our membership a minimum of three years out (2010-2011-2012).
- Review the MSPS Board approved structure of this committee.
- Contact NCEES “speaker’s bureau” for a listing of potential speakers for an annual meeting.
- Coordinate with MSPS Executive Assistant and the Communications Committee to periodically update the annual meeting information on the MSPS website.
- Prepare an article for the “Michigan Professional Surveyor” to inform membership on committee progress.
